To obtain additional forms or to complete this form online, visit us at www.harborfunds.com.

Use for establishing a Traditional IRA, Roth IRA or Simplified Employee Pension (SEP) IRA. Do not use for other types of qualified retirement plans.

Important information about opening a new account: Harbor Funds is required by federal law to obtain from each person who opens an account certain information—including name, street address, and social security number/tax ID, among other information—that will be used to verify your identity. We may need to request additional identifying information. If you do not provide us with this information, we will not be able to open the account. If we are unable to verify your identity after establishment of an account, Harbor Funds reserves the right to close your account or take other appropriate steps.

Step 1 Select Your Type of IRA *Choose only one*

- Traditional IRA** **Roth IRA** **SEP IRA** *(Simplified Employee Pension)*

Refer to **page 9** for required documentation. >

Type of Contribution (choose only one):

- Contribution for tax year** *If a year is not indicated, we will assume the contribution is for the tax year in which it was received.*
-
- Indirect Rollover** An individual receives an eligible rollover distribution and within 60 days deposits the amount to an IRA.
-
- Direct Rollover from QRP** *(Qualified Retirement Plan)* A qualified retirement plan or 403(b) plan distribution that is remitted directly to the trustee, custodian or issuer of the receiving IRA and is reported to the IRS as a rollover.
-
- Transfer** A tax-free, non-reportable movement of assets between Traditional IRAs or Roth IRAs from one trustee, custodian or issuer to another trustee, custodian or issuer. The IRA holder does not have actual receipt of the funds.
-
- Recharacterization** A reportable transfer of a contribution or conversion, in whole or in part, plus earnings from a Traditional IRA to a Roth IRA or vice versa.
-
- Conversion** A taxable movement of cash or other assets from a Traditional IRA to a Roth IRA. A conversion is a reportable transaction.
-
- Re-registration** A transfer of shares from an existing IRA held directly at Harbor Funds into a new IRA.

Note: Effective January 1, 2015, the IRS implemented a rule change that allows you only one IRA-to-IRA rollover within a 365-day period, no matter how many IRAs you have. Previously, the IRS permitted one rollover per year for each IRA you owned. >

You could lose money by investing in the Harbor Money Market Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the Fund is not insured or guaranteed by the FDIC or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund and you should not expect the sponsor to provide financial support to the Fund at any time.

Investors should carefully consider the investment objectives, risks, charges and expenses of a Harbor fund before investing. A summary prospectus or prospectus for this and other information is available at www.harborfunds.com or by calling 800-422-1050. Read it carefully before investing.

Choosing a Share Class

Each of the Harbor funds have multiple classes of shares, with each class representing an interest in the same portfolio of investments. However, the Funds' separate share classes have different expenses and, as a result, their investment performances will differ. When choosing a share class, you should consider the factors below:

RETIREMENT CLASS

Available to individual and institutional investors

- No 12b-1 fee and no revenue sharing payments of any kind by the Fund, the Adviser or its affiliates
- Transfer agent fee of up to 0.01% of average daily net assets
- No minimum investment for the following types of institutional investors that maintain accounts with Harbor Funds at an omnibus or plan level: (1) employer-sponsored retirement or benefit plans, including: (i) plans established under Internal Revenue Code Sections 401(a), 403(b) or 457, (ii) profit-sharing plans, cash balance plans and money purchase pension plans, (iii) non-qualified deferred compensation plans, and (iv) retiree health benefit plans, and (2) accounts maintained by financial intermediaries, including investment firms, banks and broker-dealers
- \$1,000,000 minimum investment in each Fund for all other types of accounts, including individual accounts, personal plans such as Individual Retirement Accounts (IRAs), SEP IRAs, Simple IRAs and individual 403(b) plans, and institutional accounts that are not maintained by a financial intermediary at an omnibus or plan level with Harbor Funds

INSTITUTIONAL CLASS

Available to individual and institutional investors

- No 12b-1 fee
- Transfer agent fee of up to 0.09% of average daily net assets
- \$50,000 minimum investment in each Domestic Equity and International & Global Fund
- \$1,000 minimum investment in each Strategic Markets and Fixed Income Fund

ADMINISTRATIVE CLASS

Administrative Class shares are available only to employer-sponsored retirement or benefit plans and other non-retirement accounts maintained by financial intermediaries. Employer-sponsored retirement and benefit plans include: (i) plans established under Internal Revenue Code Sections 401(a), 403(b) or 457, (ii) profit-sharing plans, cash balance plans and money purchase pension plans, (iii) non-qualified deferred compensation plans, and (iv) retiree health benefit plans. Administrative Class shares are not available through personal plans, such as individual retirement accounts (IRAs), SEP IRAs, Simple IRAs or individual 403(b) plans, unless investing through an account maintained by a financial intermediary.

- 12b-1 fee of up to 0.25% of average daily net assets
- Transfer agent fee of up to 0.09% of average daily net assets
- \$50,000 minimum investment in each Fund for accounts maintained by financial intermediaries
- No minimum investment for employer-sponsored retirement or benefit plans

INVESTOR CLASS

Available to individual and institutional investors

- 12b-1 fee of up to 0.25% of average daily net assets
- Transfer agent fee of up to 0.21% of average daily net assets
- \$2,500 minimum investment in each Fund for regular accounts
- \$1,000 minimum investment in each Fund for IRA and UTMA/UGMA accounts

Meeting the minimum investment for a share class means you have purchased and maintained shares with a value at the time of purchase that is at least equal to that minimum investment amount. Redemptions out of your account can cause your account to fail to meet the minimum investment amount requirement. Changes in the market value of your account alone will not cause your account to either meet the minimum investment amount or fall below the minimum investment amount.

DISTRIBUTION AND SERVICE (12b-1) FEES

Harbor Funds has adopted a distribution plan for each Fund's Administrative and Investor Classes of shares in accordance with Rule 12b-1 under the Investment Company Act of 1940. Under each plan, the Funds pay distribution and service fees to Harbor Funds Distributors, Inc. (the "Distributor") for the sale, distribution and servicing of the Administrative and Investor Class shares. All or a substantial portion of these fees are paid to financial intermediaries, such as broker-dealers, banks and trust companies, which maintain accounts in Harbor Funds for their customers. Because the Funds pay these fees out of the Administrative and Investor Class assets on an ongoing basis, over time these fees will increase the cost of your investment in Administrative and Investor Class shares and may cost you more than paying other types of sales charges.

TRANSFER AGENT FEES

The Funds pay Harbor Services Group, Inc. ("Shareholder Services") transfer agent fees (specified above) on a per-class basis for its services as shareholder servicing agent for each Fund. For each class except for the Retirement Class of shares, Shareholder Services uses a portion of these fees to pay unaffiliated financial intermediaries for providing certain recordkeeping, subaccounting and/or similar services to shareholders who hold their shares through accounts that are maintained by the financial intermediaries. These fees may consist of per fund or per sub-account charges that are assessed on a periodic basis (i.e., quarterly) and/or an asset based fee that is determined based upon the value of the assets maintained by the financial intermediary.

Harbor's Privacy Statement

The following privacy statement is issued by Harbor Funds and each series of Harbor Funds and its affiliates, Harbor Capital Advisors, Inc., Harbor Services Group, Inc. and Harbor Funds Distributors, Inc. These measures reflect our commitment to maintaining the privacy of your confidential information. We appreciate the confidence you have shown by entrusting us with your assets.

Harbor

FUNDS DISTRIBUTORS, INC.

Harbor's Business Continuity Summary Plan

Harbor Funds Distributors, Inc. maintains a Business Continuity Plan on how we will respond to events that may significantly interrupt our business. Since the timing and impact of disasters and disruptions are unpredictable, we will have to be flexible in our approach to respond to events if they occur. With that in mind, we are providing you with this information on our business continuity plan.

Our Business Continuity Plan addresses how we will recover and resume business operations in the event of a business interruption. We will respond by safeguarding our employees and property, making a financial and operational assessment, protecting our firm's books and records, and allowing our shareholders to transact business. Our plan is designed to permit our firm to resume operations as quickly and effectively as possible, regardless of the scope and severity of the business interruption.

Business interruptions can vary in scope: affecting only our firm, the building housing our firm, the business district where our firm is located, or the city where we are located or a wider region. In any situation, we plan to continue our business operations and notify you of how to contact us via any means available, including, but not limited to, telephone, fax, e-mail or at harborfunds.com.

Based on a company-wide risk analysis, we have put in place a resiliency plan to help mitigate business interruptions. Our plan includes the following elements:

- data back up and recovery of all mission critical systems;
- alternative communications with shareholders, employees, third party vendors, suppliers, banks, counter-parties and regulators, including re-routing of critical lines;
- alternate physical location of mission critical employees;
- employee preparedness training; and
- at a minimum, an annual review and/or maintenance of our plan.

Every emergency situation poses unique problems based on external factors. Our objective is to restore operations quickly and enable shareholders to have prompt access to their accounts. Most types of service interruptions should not affect your access to your account or your ability to withdraw available funds. However, your ability to transact on your account may be delayed during any given period if there are events beyond our control.

While we cannot eliminate all risks of interruption, we are committed to having a strategy in place to keep you informed. If you have questions about our business continuity planning, feel free to contact us at 800-422-1050, Monday through Friday, from 8:00 a.m. to 6:00 p.m. Eastern time.
