Important information about opening a new account: Harbor Funds is required by federal law to obtain from each person who opens an account certain information—including name, street address, and social security number/tax ID, among other information—that will be used to verify your identity. If we are unable to verify your identity after establishment of an account, Harbor Funds reserves the right to close your account or take other appropriate steps.

You could lose money by investing in the Harbor Money Market Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the Fund is not insured or guaranteed by the FDIC or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund and you should not expect the sponsor to provide financial support to the Fund at any time.

Investors should carefully consider the investment objectives, risks, charges and expenses of a Harbor fund before investing. A summary prospectus or prospectus for this and other information is available at harborfunds.com or by calling 800-422-1050. Read it carefully before investing.

Choosing a Share Class

Each of the Harbor funds have multiple classes of shares, with each class representing an interest in the same portfolio of investments. However, the Funds' separate share classes have different expenses and, as a result, their investment performances will differ. When choosing a share class, you should consider the factors below:

INSTITUTIONAL CLASS

Available to individual and institutional investors

- No 12b-1 fee
- Transfer agent fee of up to 0.09% of average daily net assets
- \$50,000 minimum investment in each Domestic Equity and International & Global Fund
- \$1,000 minimum investment in each Strategic Markets and Fixed Income Fund

RETIREMENT CLASS

Available to individual and institutional investors

- No 12b-1 fee and no intermediary fee of any kind paid by the Fund
- Transfer agent fee of up to 0.01% of average daily net assets
- No minimum investment for the following types of institutional investors that maintain accounts with Harbor Funds at an omnibus or plan level: (1) employer-sponsored retirement or benefit plans, including: (i) plans established under Internal Revenue Code Sections 401(a), 403(b) or 457, (ii) profit-sharing plans, cash balance plans and money purchase pension plans, (iii) non-qualified deferred compensation plans, and (iv) retiree health benefit plans, and (2) accounts maintained by financial intermediaries, including investment firms, banks and broker-dealers
- \$1,000,000 minimum investment in each Fund for all other types of accounts, including individual accounts, personal plans such as Individual Retirement Accounts (IRAs), SEP IRAs, Simple IRAs and individual 403(b) plans, and institutional accounts that are not maintained by a financial intermediary at an omnibus or plan level with Harbor Funds

ADMINISTRATIVE CLASS

Administrative Class shares are available only to employer-sponsored retirement or benefit plans and other non-retirement accounts maintained by financial intermediaries. Employer-sponsored retirement and benefit plans include: (i) plans established under Internal Revenue Code Sections 401(a), 403(b) or 457, (ii) profit-sharing plans, cash balance plans and money purchase pension plans, (iii) non-qualified deferred compensation plans, and (iv) retiree health benefit plans. Administrative Class shares are not available through personal plans, such as individual retirement accounts (IRAs), SEP IRAs, Simple IRAs or individual 403(b) plans, unless investing through an account maintained by a financial intermediary.

- 12b-1 fee of up to 0.25% of average daily net assets
- Transfer agent fee of up to 0.09% of average daily net assets
- \$50,000 minimum investment in each Fund for accounts maintained by financial intermediaries
- No minimum investment for employer-sponsored retirement or benefit plans

INVESTOR CLASS

Available to individual and institutional investors

- 12b-1 fee of up to 0.25% of average daily net assets
- Transfer agent fee of up to 0.21% of average daily net assets
- \$2,500 minimum investment in each Fund for regular accounts
- \$1,000 minimum investment in each Fund for IRA and UTMA/UGMA accounts

Meeting the minimum investment for a share class means you have purchased and maintained shares with a value at the time of purchase that is at least equal to that minimum investment amount. Redemptions out of your account can cause your account to fail to meet the minimum investment amount requirement. Changes in the market value of your account alone will not cause your account to either meet the minimum investment amount or fall below the minimum investment amount.

DISTRIBUTION AND SERVICE (12b-1) FEES

Harbor Funds has adopted a distribution plan for each Fund's Administrative and Investor Classes of shares in accordance with Rule 12b-1 under the Investment Company Act of 1940. Under each plan, the Funds pay distribution and service fees to Harbor Funds Distributors, Inc. (the "Distributor") for the sale, distribution and servicing of the Administrative and Investor Class shares. All or a substantial portion of these fees are paid to financial intermediaries, such as broker-dealers, banks and trust companies, which maintain accounts in Harbor Funds for their customers. Because the Funds pay these fees out of the Administrative and Investor Class assets on an ongoing basis, over time these fees will increase the cost of your investment in Administrative and Investor Class shares and may cost you more than paying other types of sales charges.

TRANSFER AGENT FEES

The Funds pay Harbor Services Group, Inc. ("Shareholder Services") transfer agent fees (specified above) on a per-class basis for its services as shareholder servicing agent for each Fund. For each class except for the Retirement Class of shares, Shareholder Services uses a portion of these fees to pay unaffiliated financial intermediaries for providing certain recordkeeping, subaccounting and/or similar services to shareholders who hold their shares through accounts that are maintained by the financial intermediaries. These fees may consist of per fund or per sub-account charges that are assessed on a periodic basis (i.e., quarterly) and/or an asset based fee that is determined based upon the value of the assets maintained by the financial intermediary.

Privacy Statement

The following privacy statement ("**Privacy Statement**") is issued by Harbor Funds and each series of Harbor Funds and its affiliates, Harbor Capital Advisors, Inc., Harbor Services Group, Inc. and Harbor Funds Distributors, Inc. Business Continuity Summary Plan

Harbor Capital Advisors, Inc., Harbor Services Group, Inc., and Harbor Funds Distributors, Inc. as the investment adviser, shareholder servicing agent, and distributor of Harbor Funds, respectively (collectively, "**Harbor**"), maintain a Business Continuity Plan that addresses how we will respond to events that may significantly interrupt our business. Since the timing and impact of disasters and disruptions are unpredictable, we will have to be flexible in our approach to respond to events if they occur. With that in mind, we are providing you with this information regarding our Business Continuity Plan.

Our Business Continuity Plan addresses how we will recover and resume business operations in the event of a business interruption. We will respond by safeguarding our employees and property, making a financial and operational assessment, protecting our books and records, and allowing Harbor Funds' shareholders to transact business. Our plan is designed to permit us to resume operations as quickly and effectively as possible, regardless of the scope and severity of the business interruption.

Business interruptions can vary in scope. They may affect just our office, or our building, or they may affect a whole city or area. In any situation, we seek to continue our business operations and to notify you of how to contact us via any means available, including, but not limited to, telephone, fax, e-mail, or at harborfunds.com.

Based on a company-wide risk analysis, we have put in place a resiliency plan to help mitigate business interruptions. Our plan includes the following elements:

- Data backup and recovery of all mission critical systems;
- Alternative communication methods with shareholders, employees, third-party vendors, suppliers, banks, counterparties, and regulators, including re-routing of critical lines;
- Alternate physical location of mission critical employees;
- Employee preparedness training; and
- At a minimum, an annual review and/or maintenance of our plan.

Every emergency situation poses unique problems based on external factors. Our objective is to restore operations quickly and enable Harbor Funds' shareholders to have prompt access to their accounts. Most types of service interruptions should not affect a shareholder's account access or ability to withdraw available funds. However, a shareholder's ability to transact on their account may be delayed during any given period if there are events beyond our control.

While we cannot eliminate all risks of interruption, we are committed to having a strategy in place to keep you informed. If you have questions about Harbor's Business Continuity Plan, feel free to contact us at 800-422-1050, Monday through Friday, between 8:00 a.m. and 6:00 p.m. Eastern time.
